AHCAG hosted a popular 'Meet the Candidate' forum for Heysen electorate in March 2018.

Heather Smith, electrical engineer, energy consultant and climate change policy maker with a passion for community energy was MC for the event.

Five candidates attended: Josh Teague (Liberal Party), John Illingworth (SA Best), Lynton Vonow (The Greens), Tony Webb (Australian Labour Party) and Andrew Ey (Dignity Party Inc). Each candidate provided thoughtful answers to a range of questions on their response to climate change.
